TEXAS' #1 LAP BAND PROVIDER

Your First Choice in Texas for Weight Loss

True Results is the leading network of physicians, healthcare professionals, surgical centers, support resources and aftercare specialists dedicated to the care and needs of the lap band patient. Having performed over 16,000 Lap Band procedures and with our world-renowned aftercare program, more people have turned to True Results than any other Lap Band provider in the U.S.

With the most experienced surgeons and our personalized approach - from initial consultation and insurance verification to surgery, aftercare and lifestyle support - True Results provides the assistance, encouragement, insight and expertise to help our patients succeed.
